

FSE Rump Session 2011

The FSE Rump Session takes place on Monday, from 16h40 until 17h40. FRS is an excellent opportunity to announce your very latest results and advertise for your most favorite event. The review process will be quick and fair.

Submission to the FRS is possible only by means of the manual submission system: hand over a paper version of your submission to the FRSPC. Submissions should indicate their category of talks: conference announcements, scientific results or other. Furthermore, submissions should mention the desired length of their time slot (between 3 and 10 minutes).

Important Facts

0.5:	Page limit in A4 pages using a reasonable font
Monday 12h45:	Submission deadline
Vincent Rijmen:	FRS Program Chair and only PC Member
